

# Normalized Weekly Stage Duration Curves for WCA-3A Gap

Indicator Region 122 (R30C17-17 R31C16-17 R32C16-17)

Note: Normalized stage is stage referenced to Land Elevation. Thus, values above zero indicate ponding while values below zero indicate depth to the water table.

Run date: Tue May 16 16:18:07 EDT 2006  
For Planning Purposes Only  
SFWMM V5.5.2
